Thursday September 26th 8:30am-5:00pm USAF Museum (Transportation Included)

We will attend the Dedication Ceremony for the 7th Air Commando Squadron & 7th Special Operations Squadron Memorial Bench. You will also have time to visit the Museum galleries that represent military aviation history, boasting more than 360 aerospace vehicles and missiles on display -- many rare and one-of-a-kind -- along with thousands of historical items and powerful sensory exhibits that bring history to life and connect the Wright brothers' legacy with today's stealth and precision technology. The Museum's galleries are arranged in chronological order. The Early Years Gallery features airplanes and exhibits from the dawn of aviation through World War I. The Air Power Gallery focuses on World War II aviation, while the Modern Flight Gallery covers the Korean War and the Southeast Asia (Vietnam) conflict. The museum's newest buildings, the Eugene W. Kettering Cold War Gallery and the Missile and Space Gallery take visitors from the Soviet era to the cutting edge of space exploration. Lunch will be on your own at the museum café.

Friday September 27th 9:00am-5:00pm Carillon Park (Transportation Included)
